

Mix it, and it's waste; sort it, and it's a resource.

Please follow the local rules and dispose of your waste at the designated collection point (garbage station).

Important Notes for Disposal: Please sort your garbage, use the designated bags (Garbage Disposal Tickets as necessary), and put them out by 8:30 AM on the collection day.

Designated Bag Sales Locations : Seven-Eleven Fukushima Tomioka Kamikoriyama Store, York-Benimaru Shin-Tomioka Store, Daiyu-Eight Sakura Mall Tomioka Store, Lawson Tomioka Kobama Store, Tsuruha-Drug Sakura Mall Tomioka Store, Lawson Tomioka Kamiteoka Store

[Red Text]
(Large) 500 yen / 10 bags
(Small) 300 yen / 10 bags

Burnable Garbage

Important Notes

- Make sure that non-burnable or recyclable waste is not mixed in.
- Try to remove as much moisture as possible from food waste.
- Soak cooking oil in paper or cloth, or solidify it before disposal.

[Black Text]
(Large) 500 yen / 10 bags
(Small) 300 yen / 10 bags

Non-burnable Garbage

Important Notes

- Make sure that recyclable or burnable waste is not mixed in.
- Items that do not fit in the bag are considered bulky waste.
- Wrap dangerous items such as knives or broken glass in paper and label them clearly.
- For spray cans or gas canisters, be sure to empty them and puncture the cans.
- Place dry batteries in a plastic bag and label it "batteries" before disposing of it on non-burnable waste days. (Do not place in designated bags.)

(Large) 250 yen / 10 bags
(Small) 150 yen / 10 bags

Glass Containers and Bottles

When using the new recyclable garbage bags, please check the box next to the appropriate type of waste. Only one type of waste may be placed in each bag.

Previously purchased designated garbage bags may also be used.
*The design of the new garbage bags is still under development and may differ from the actual bags.

Metal Containers and Cans

Plastic PET Bottles

Plastic Containers and Packaging

Important Notes
Items cannot be recycled if food or other contents remain. Please rinse them thoroughly before disposal. Be sure to check the box next to the type of waste you are disposing of. Only one type of waste may be placed in each bag. Garbage bags issued in previous years, including those for combustible and non-combustible waste, may also be used.

- Only bottles that contained food.
- Metal caps should be disposed of with cans.
- Bottles with residue or those that contained oil should be disposed of as non-burnable waste.

- Please put cans into the designated bag without crushing them.

- Caps and labels should be disposed of with plastic containers and packaging.
- Do not crush the bottles.

Please refer to the table below for what qualifies as plastic containers and packaging.
For detailed information about each item, please refer to the separate "How to Properly Recycle and Dispose of Garbage".

If you cannot take your waste paper to the stockyard, you can use the "Garbage Disposal Ticket" to dispose of it as burnable waste.

[Garbage Disposal Ticket]
300 yen / 10 tickets

Waste Paper & Leafy Branches (Burnable Garbage Days)

Please sort waste paper or leafy branches by type, tie them with string, and attach the Garbage Disposal Ticket before disposal. Note: Size specifications apply.

Garbage Disposal Ticket Sales Locations:
York Benimaru Shin-Tomioka Store, Tsuruha Drug Sakura Mall Tomioka Store

Bulky Waste (Items that cannot fit in the designated bags)

Bulky garbage cannot be put out at the garbage station without permission.

[Collection Request]

You can request collection at your home or at the garbage station by contacting the Southern Sanitation Center using the details below. (Requests made by the morning of the previous day will be collected on the first Wednesday of the month.)

[Direct Disposal]

Items must be sorted by type for weighing before disposal.

Nets and Cushioning Materials	styrofoam nets used to wrap fruits, etc. styrofoam used to protect electronic products

Home Appliance Recycling - 4 items

Applicable Waste:

Televisions (CRT, LCD, plasma), air conditioners, refrigerators (freezers), and washing machines (clothes dryers). For more details, please refer to the separate "How to Properly Recycle and Dispose of Garbage".

- Is the disposal due to a replacement purchase?
No Yes Please ask the retail store where you are making your new purchase to handle the disposal.
- Can you ask the store where you purchased the product to dispose of it for you?
No Yes Please contact the store where you purchased the product to arrange for disposal.
- Can you bring the item yourself?
No Yes Please bring the item to a designated collection site, an authorized waste collection company, or a retail store that can provide collection services (please confirm by phone before bringing the item).

Request collection from an authorized waste collection company or a retail store that can provide collection services.
*Please note that you will be responsible for the cost of the recycling ticket and collection fees.

In all disposal methods, you must purchase an "Home Appliance Recycling Ticket." Please confirm the purchasing method with the disposal company in advance.

Computer Recycling

Computers (main units and displays) are required by law to be collected and recycled by the manufacturer. As the manufacturer is responsible for collecting unwanted computers, Tomioka Town does not collect them. For more details, please refer to the separate "How to Properly Recycle and Dispose of Garbage".

If you know the manufacturer of your computer:

Please contact the manufacturer directly to arrange for its collection.

For more details, please refer to "How to Properly Recycle and Dispose of Garbage" issued by Futaba District Broader Municipality Association. If you have any questions about waste disposal, please contact us here:
